AMERICA'S FLEET OF BIG-RANGE BOMBERS AIDED 'JAP' DEFEAT

Get Lion's Share of Credit For
Defeat of Invasion Fleet
at Midway

GIVEN FULL CREDIT

Navy and Marine Corps Work-
ed With Army Air Force
in Detail

By International News Service

America's mighty fleet of long-range,
land-based bombers were given the
lions share today in the humiliating
defeat of the Japanese invasion fleet
that was beaten back from Midway
Island.

The part played by the Army multi-
motored bombing planes was revealed
in the personal stories of the pilots of
these big ships—stories that emphasized
the devastating fire power packed
by a fleet of Flying Fortresses.

The big craft, under command of
Col. Walter C. Sweeney, of San Fran-
cisco, sank two enemy carriers, and
scored hits on three battleships, four
cruisers, a transport and several de-
stroyers in the waters west of Midway.

The Army Air Force in detailing the
fight gave full credit to the co-oper-
ating pilots of the Navy and Marine
Corps.

"It was teamwork," an Army pilot
declared. "We worked together against

In a brief but impressive ceremony
yesterday afternoon at 2:30 o'clock
the Wilson Distilling Co., Inc., was
honored by the United States Treasury
Department when the approximately
150 employees of the plant partici-
pated in a "Minute Man" flag raising
ceremony.

The flag and certificate of award accom-
panying it were given the company in
recognition of its 100% employee
participation in buying War Savings
Bonds.

Harry R. High, representing the
United States Treasury Department,
made the presentation of the flag and
the certificate of award to C. A. Rick-
baugh, plant manager. G. T. Ludwig,
director of personnel at the Wilson
plant, introduced Mr. High.

This presentation marks the third in
this vicinity, and the second 100%
pledge. The Paterson Parchment

TO INVESTIGATE CHARGE OF HOARDING OF SUGAR

County Ration Board Chair-
man Asks That Complaints
Be Signed, However

DESIRE CO-OPERATION

DOYLESTOWN, June 11—An investi-
gation is to be made here following
receipt of an anonymous complaint that
a Doylestown family has more than
1,000 pounds of sugar hoarded in
its home.

Robert Wilkinson von Hintz, county
chairman of the sugar rationing board,
pointed out that although the rationing
board is glad to receive complaints
and all kinds of criticisms, that it is
asked that complainers sign their names.

"We like to have the co-operation of
the public and know about the individual
citizens who are going against the
Federal rules and regulations, but we
must insist that any letters written
to the rationing board be signed by those
making the complaint," Chairman von Hintz said.

Chairman von Hintz said that he has
received a letter, unsigned, giving the
name of a family having hidden in
various places nearly 1,000 pounds of
sugar.

"Three neighbors and the writer
who didn't have the courage to sign his
or her name, making the letter practically
worthless, have seen some of the sugar," the letter continues.

"It is unpatriotic to make assertions
about sugar hoarders unless you are
willing to sign your name and back up
the accusation," Mr. von Hintz declared.

"We, as members of the rationing
board, are here to carry out all the
rules and regulations and see to it that
no injustices are permitted but we
must have the honest co-operation of
citizens and not the work of cranks," he said.

Mr. von Hintz, who explained that
the rationing board is in a position to
place the information in the hands of
the proper authorities, said that "crank
letters," that is, unsigned complaints,
should not be sent to Federal Govern-
ment authorities who now have more
to do than they are able to handle and
must be assured of more authoritative
information before they investigate.

Vacation Bible School To Be Conducted by 2 Churches

HULMEVILLE, June 11—Another
season's vacation Bible school will be
conducted jointly here under the direc-
tion of the Grace Episcopal and the
Neshaminy Methodist churches. A
group of experienced workers has been
secured to assist with the religious
instruction and the varied program
of the school. A new plan is being
adopted this year in regard to the
work of the school; new curriculum,
new schedules, and a number of interest-
ing features that the young folks
will like.

All boys and girls are welcome,
whatever their religious faith may be;
or whether they have attended any
Sunday School or church. No denomina-
tional or sectarian ideas are to be
promoted; but only the vital things
of Christian education that apply to
all Christian faiths, it is stated.

It is requested that every one co-
operate and encourage the boys and
girls to take advantage of the training
that will be offered.

There is no charge for attending the
vacation school, but free will contribu-
tions from parents and friends will be
welcome to help carry on the work.

COUNCIL DEMANDS CYCLISTS BE CURBED

Asks For Vigorous Enforce- ment of Law for Traffic Violations

SEE MANY VIOLATIONS

Will the police campaign against
cyclists break-up the constant viola-
tion of traffic laws by those who ride
about town?

That is the question many are asking.

Several complaints have been re-
ceived and the matter was freely dis-
cussed on the floor of Borough Coun-
cil Monday evening. The general
opinion is that the law should be en-
forced and enforced vigorously until
the violations cease.

The cyclists ride on the wrong side
of the highways, on sidewalks, without
lights, with more than one on a
bicycle meant only for one. They even
"buck" traffic on one-way streets.

With the increased use of bicycles
the flagrant violation of the law be-
comes even more numerous.

Not only do the cyclists endanger
their own lives but they also have be-
come a menace to motorists and
pedestrians alike. Old people have
had narrow escapes and young people
have been forced more than once to
jump aside, as some youngster or even
an adult person has been forced to
practically leap out of the danger
zone.

Traffic lights mean nothing. They
are disregarded hundreds of times
every day.

One councilman in voicing his com-
plaint said that he recently remon-
strated with three young women for
riding on the sidewalk. He said to them:
"You know that is against the law."

Their reply was: "Oh! is that so?"

If the cyclists cannot take a warn-
ing and obey traffic laws as the oper-

SELECT PART OF PAGEANT TALENT HERE TODAY

Organization of Various Units To Be Started This Afternoon

ASKS FOR VOLUNTEERS

Organization of various units for
the elaborate patriotic spectacle,
"America On Parade," starts today.

Mutual Aid hall will be the scene of
this organization work which is to be
handled by the Talent Committee under
the leadership of Mrs. Minerva O.

Epstein, chairman, and Russell L.

Rowland, director of the spectacle.

This afternoon the Trumpeter Girls

and the Red, White and Blue Girls for

the patriotic opening of the show will

be assigned to their parts. Sixteen

girls are to be selected to participate

in the Spanish Royal Court Ballet in

the "Columbus at the Court of Spain"

scene. Flag Bearer Girls and the War

Bond and Stamp girls will also be as-

signed to their units.

Eight couples for the Washington's

Inaugural scene and men and women for

the Early Pioneer scene will be orga-

nized this evening. Participants in

the Wild West Tavern Scene will

also be present to start rehearsal.

At a meeting with the Talent Com-

mittee last night, Mr. Rowland asked

that people for the Pilgrim scene, the

Spanish Court scene and the Lincoln

scene be present to start rehearsal.

The general public is asked to bear

in mind that those not contacted by

the Talent Committee may volunteer

their services at 8:30 tonight at the

Mutual Aid hall. All Talent Committee

members are asked to meet with the

director at nine o'clock at the re-

hearsal hall.

Dorothy Green has announced that

those who have agreed to appear in

the parade will, in some instance, be
asked to participate in the pageant

which will be staged at the conclusion

of the parade.

More Flags Displayed

There are a few more flags be-
ing displayed here but nothing like the
number that should be.

Where are the others? Hang them

out and let us prove that we here

in Bristol are patriotic and rejoice

in displaying the flag which stands

for everything for which our boys

are fighting.

The increased number of flags

being displayed may perhaps be

the result of Flag Week Celebra-

tion, but it is to be hoped that the

display will be continued for the

duration of the war.

BODY OF WOMAN IS FOUND FLOATING IN RIVER AT NEW HOPE

No Clues As To Identity; No Marks of Violence Are Discovered

SEEN BY A MOTORIST

Victim is 5'-6" Tall; Wore A Blue Dress, Brown and White Shoes

NEW HOPE, June 11—Officials of
Bucks County are endeavoring to solve
the mystery surrounding discovery of
the body of a woman in the Delaware
River, here, yesterday.

The body was noticed by a motorist
as it floated in the water near the
New Hope-Lambertville bridge. Bridge
guards were notified, and at the direction
of Dr. Charles F. Sampsel, Bristol,
deputy coroner of Bucks County, the
body was removed to a funeral home at
Wycombe.

No clues were revealed as to the woman's
identity, and no marks of violence were
to be found. It was estimated by Dr. Sampsel that the woman
had been in the water less than 48 hours.

That is the question many are asking.

GERMAN MORALE

German military leaders now have more of a second front on their hands than they had envisioned in their gravest fears. The nightmare of the military leaders is that German morale will break. Migration of thousands of Germans, fleeing from RAF raids and going they know not where, certainly is adding fuel to the fire of internal disintegration.

German militarists blamed the weakness of the people for the loss of the First World War, and though Hitler has worked hard to instil fanatical loyalty into the younger people, civilian morale will not survive unless the people of middle age later years can be persuaded to hold out against great distress.

The second front is of course the continuous and devastating bombing of key German cities by the British. They have battered important manufacturing centers on successive nights, making the most of civilian nerve-shattering as well as factory demolition. The virtual destruction of Cologne and Essen by thousands of British bombers is bound to shake civilian morale.

The Hitler propaganda agency can not conceal the truth from the German people and his attempts to do so have started rumors that have become increasingly terrorizing as they drift across the country. Hitler promised his subjects that Berlin and other cities would be defended against enemy bombers. He has not only failed to make good this boast but has failed so miserably that no important German city is safe.

It can not be proved that the British have air superiority, for so much of Germany's air force is on the Russian front that the bombings may not be a reliable test. But Germany certainly lacks the air force to hold the British and the Russians off at the same time. Germany's grip on the occupied countries of Western Europe is in peril, as is its power to force the French to give more help including the fleet. Hitler is tasting fear, and he can not long conceal it from anxious German civilians.

TOTAL EFFORT WAR

Jonathan Daniels, assistant director of the Office of Civilian Defense is worthy of an orchid for his insistence that people have had the wrong idea concerning total war. He points out that many persons have assumed it to mean total danger, whereas what it really signifies is total effort.

There is much to be said for this view. This way of looking at the war leads the citizen to think of it as one which demands his every contribution. Total war, regarded as total danger, merely offers the melancholy prospect of suffering without leading the citizen to consider positive action to achieve victory.

Mr. Daniels also has been insisting that Americans must not regard total war as something imported from Europe.

"Americans did it back in frontier days, in the caravans moving west, when every man, woman and child entered into the community's effort to stay alive and win," he said. "We were a total war folk a long time before this man Hitler came along, and I believe we'll be the same a long time after he is gone."

This should have a good effect on American morale. Furthermore, it takes from Hitler credit that did not belong to him. Americans will feel more at home conducting a total effort of war now that they view it as an indigenous product, and not an exotic thing to which they must grow accustomed.

SULLIVAN HURLS TEAM TO SHUT-OUT WIN OVER ST. ANN'S

Diamond Nine Defeats 'Saints' By the Score of 6 to 0

PONCZEK GETS SINGLE Diamond Batters Blast Stanford For Seven Hits

"Eddie" Sullivan barely missed another no-run, no-hit game last night on St. Ann's field as he pitched the Diamond team to a shutout victory over St. Ann's A. A. Final score was: Diamond, 6; St. Ann's, 0.

A single by Stan Ponczek in the last inning represented St. Ann's only mark in the hit column. Two weeks ago, Sullivan pitched a no-hitter against the Badenhausen team and in the opening contest of the season he had hurled a one-hitter against Badenhausen.

Ponczek's blow did not mean anything to the Saints as he was wiped up in a double-play a moment later when DeAngelo hit to Roe and the 5-4, 4-3 play worked. In the five inning tilt, only sixteen players faced Sullivan, DeLaCava getting on base as the result of an error by Balon.

In winning the tilt, Diamond blasted "Bill" Stanford for seven hits. It was Stanford who several weeks ago hurled St. Ann's to a close win over the Diamond team which may prove to be costly to the Big Green and probably cost them the first half.

Of the seven hits made by Diamond, Harker had two out of two and was passed on his first appearance at the plate.
